SETTING YOUR PACK UP FOR SUCCESS

Sign-up nights are essential for Cub Scout packs to recruit new families. By giving parents and youth an opportunity to get to know Scouting through personal engagement and hands on experiences, their success continues to bring new families into Scouting.

To best prepare for recruitment efforts over the summer, your pack should:

- completing as much adult leader training as possible
- complete a calendar planning session

The importance of planning exciting fall activities is essential for a strong recruitment. Check out the May RT recap email for planning resources.

While July Roundtables are the month to enjoy camp, we ask our pack leaders to get back into the habit of attending in August. Dellaykee District meets on the first Tuesday of each month at 7pm at the Garnavillo Community Center. Dubuque District meets on the first Thursday of each month at 7pm at Holy Trinity.

You will find strategies to use in the [2023 Membership Guide](#) found at <https://scoutsiowa.org/resources-2/recruitment-resources/>. In this guide the Cub Scout path uses the Brown Numbered Pages and Yellow Numbered Pages.

We hope your unit takes time to review the resources, strategies and best practices provided by our Council. Our aim is to reach our community's youth with impactful Scouting programming; you are the key to help deliver these quality and meaningful programs.

Ask us about how you too can save time on recruitment planning with our flyer templates!
