NATIONAL UPDATES

CUB SCOUT CAMPING

Effective September 1, Cub Scout packs who are conducting their own overnight camping activity may now camp up to two consecutive nights.

Cub Scout packs who are conducting their own overnight camping activities must continue to have at least one registered adult leader who is trained in Basic Adult Leader Outdoor Orientation (BALOO), oversees the planning and is in attendance for the pack campout. This updated policy also applies to Webelos and Arrow of Light dens who may conduct den coordinated campouts.

ADULT REGISTRATION FOR OVERNIGHT ACTIVITIES

Effective September 1, All adults staying overnight in connection with a Scouting activity must be currently registered in an adult fee required position as listed or as an adult program participant. Limited exception below for Cub Scout overnight programs.

Registration as a Merit Badge Counselor does not meet this requirement, as these are non-unit specific registrations. Merit Badge Counselors need to be registered with an adult unit position to stay overnight.

Cub Scout Programs - Overnight Exception: Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the "How to Protect your Children from Child Abuse: A Parent's Guide" that can be found in the front of each Cub Scout Handbook.

In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position.

The policy will be updated in the Guide to Safe Scouting and other resources on September 1. An updated version of the BALOO training will also be released at that time.
