YARD SIGN CONTEST

The NEW Yard Sign Contest is STILL RUNNING!! It's simple to enter: take a photo of your "Join Cub Scouts" sign and post it on social media. We're going to track all posts and award some great prizes! Prizes include \$50 Casey Gift Cards and a Des Moines Package!

CONTEST
CLOSES
9/30

Prize categories:
Most Creative Display
Most Comments
Drawing of all entries

Yard signs can be picked up at the Council Service Center. Or contact us at 563.556.4343 or michaela.freiburger@scouting.org to schedule a drop-off on our next district distribution day.

Be sure to make your post public and tag us so we can find it!

GRANT UPDATES

Thanks to some incredible grantors, we were able to create 700 "Six Essentials Hiking Kits" to distribute to youth across the area, encouraging youth to get out and hike... and check out Scouting while they're at it! Thank you to these grantors:

- Clayton County Foundation for the Future
- Foundation of Cornerstone Communities
- Schoen Foundation

WELCOME JE'VON!

Please help us welcome the newest member of the Northeast Iowa Council staff - Je'Von Williams!

Je'Von is a student at Loras College where he is majoring in Social Work and Business Administration. His internship with us has him working with youth in our Scouting outreach programs through St. Mark Youth Enrichment and the Boys & Girls Club of Greater Dubuque.

Je'Von is looking forward to making memories with the youth and everyone involved. He is a self-proclaimed music fan - so be sure to chat about your favorite artists when you see him!

Thank you to Troop 194 for assembling the 700 kits! That was quite the assembly line!

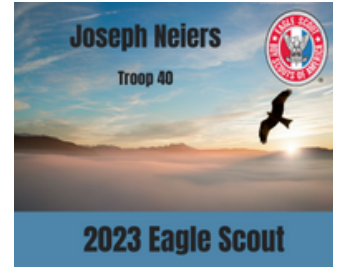

EAGLE SCOUT SPOTLIGHT

Eagle Project Description: Chase constructed a 9-hole disc golf course at Roosevelt Middle School. Holes were dug and posts set in concrete with removable baskets so they can be taken down in the winter months. Pavers were set at each tee box.

Eagle Project Description: Joseph cleared the savanna area of invasive multiflora rose bushes, making the area more accessible for hiking and nature preserve for Clayton County Conservation.

Eagle Project Description: Henry constructed raised garden beds out of galvanized tanks for the Eagle Point Place retirement home.

Eagle Project Description: Reed constructed 12 bluebird houses, a mallard cylinder, and a barn owl box for Dubuque County Conservation to place on the restored land at McCarthy Rd.

Eagle Project Description: Benjamin cleaned, scraped, rinsed, and repainted the vessel of the Bellevue Swimming pool.

Eagle Project Description: Mason prepared the ground, poured a 14 'x20' cement pad, and constructed and placed a 12' handicap accessible picnic table on the slab at Sunnycrest Manor in Dubuque. Mason also planted a tree next to the area.

Eagle Project Description: Ethan reconstructed the stairs on the trail by the Julien Dubuque Monument. Erosion and wash out was causing the current trail to deteriorate quickly. Stairs were redone, landscaping completed, and grass seed added to help stabilize the ground.
