

TROOP LEADERSHIP

TROOP LEADER'S MEETING

Scheduled each morning after breakfast on the porch of the Camp Office.

TROOP LEADERSHIP

Each troop in camp must be under the leadership of at least two unit registered adults, two of whom must be at least 21 years of age or older with current Youth Protection Training. The Scoutmaster works through the Senior Patrol Leader in developing and scheduling the troop's program, participates in the daily Troop Leader's meeting following breakfast and assigns and coordinates responsibilities of all adult leadership for the troop.

Outside of unit check-in and check-out, all leaders need to check in at the camp office upon arrival and departure from camp. Each leader staying in camp must be registered with the unit they are staying with and have a BSA Annual Health & Medical Form (including part C) on file in the Camp Health Lodge. All troop leaders are responsible to the Camp Scoutmaster and assume any assignments made by them.

WHILE AT CAMP

- Extra leaders in a troop are needed to supervise and help instruct the BASE Camp program. Leaders are also invited to help with any area in camp.
- If a leader has a special skill, or knowledge about a certain merit badge, and would like to assist or train, call the Council Service Center to express interest, or see the Camp Director during the week. Leaders are encouraged to volunteer to assist Program Area Directors in conducting merit badges in which they have a comfortable level of knowledge or skill!
- Leaders may also use their time in service projects essential to Camp Klaus. If interested, contact the Ranger or Camp Director during the week.

CAMP SECURITY AND VISITORS

For the safety of all campers, **ALL VISITORS MUST CHECK IN AND OUT** at the Camp Office. If you see an unauthorized person in camp, inform the Camp Director immediately. Do not try to engage the individual. Outside of adults dropping off Scouts, picking up Scouts, or visiting on Visitor's Night, all adults at Camp C.S. Klaus need to be registered with the unit they are a camp leader for.

Registration includes the completion of an adult application, criminal background check (CBC) and Youth Protection Training before the activity (CBCs take a week or more and cannot be expedited).

DAMAGE TO EQUIPMENT

Each unit will be responsible for equipment provided for their use by the camp. Any damage to equipment because of abuse, whether willful or as a result of negligent or imprudent practices, will be charged to the troop.
