# MEMBERSHIP RENEWAL UPDATES

With the onset of 12-month only membership in August of 2023, annual renewal of membership for all new members has changed. As this is the first year of this process, we know there are questions surrounding this. We are here to help. Please give us a call at 563.556.4343 so we can assist you through this process.

## 1 OPTION 1: INDIVIDUALS RENEW REGISTRATION ON THEIR OWN ONLINE

Beginning 60 days before their expiration date, individuals will receive communication from the National Council that will prompt them to renew their registration. To renew this way, simply:

- Click on the link in the email that will direct individuals to [my.scouting.org](https://my.scouting.org) to renew the registration. You can also go to [my.scouting.org](https://my.scouting.org) and click the red notification button on the top right-hand corner.
- This will direct individuals to pay online and renew their registration in a few clicks. Please note that Scout Life Magazine is automatically selected. You will need to de-select.

### Important information:

- If you opt-out from renewing, currently there is no way for us to return someone to your charter without them completing a new application.
- All payments made with credit card or online are subject to processing fees.

## 2 OPTION 2: UNIT RENEWS THE INDIVIDUAL ONLINE

Using this method, individuals can pay the unit and the unit can renew registrations on their behalf through [my.scouting.org](https://my.scouting.org). This is ideal for units who pay for renewals through funds from the popcorn sale. To renew this way:

- A member of the unit Key 3 logs into [my.scouting.org](https://my.scouting.org) and clicks on Organization Manager then Roster.
- The unit leadership then selects members who are eligible to renew and then simply clicks Renew in the header bar.
  - **Scout Life subscriptions will be selected by default. If you have members who do not want to subscribe, uncheck the box.**
- **There should be an option to print a receipt and Pay at Council, like you can with a recharter. If the "Pay at Council" option is not visible, units will need to use Option 3.**
- If your unit is not set to "Auto Approve" then you will need to go back to "Roster" and Click on the "Membership Renewal Orders" and find any member renewals that are waiting for approval.

## 3 OPTION 3: NORTHEAST IOWA COUNCIL RENEWS THE INDIVIDUAL

This method allows individual participants or the unit to bring payment for individuals to the Northeast Iowa Council Service Center.

- For individuals or units to renew individuals: Fill out the Registration Renewal Check Out Sheet (available in excel or printable PDF) and turn in payment and the form to the Northeast Iowa Council in person, email, or mail.

# SCOUTING GOLF CLASSIC WRAP-UP

S'mores makers for golf teams

Wow! What an incredible day we had for the Scouting Golf Classic on July 15th! 34 teams joined us on the course on one of the hottest days of the year, made it into the clubhouse before the storms started, then stayed with us through a blackout while still supporting Scouting through a live auction!

Seriously - we are incredibly thankful for each and every company and individual that joined us for the Scouting Golf Classic. We hope you enjoyed your time with us!
