Scouts participate in learning about perception and mini gallery paintings at Bluff Strokes.

Adults learn it's okay to "take chances, make mistakes, get messy!"

CELEBRATING OUR DEDICATED VOLUNTEERS

On March 22, the Northeast Iowa Council hosted its annual Volunteer Appreciation Dinner at the Guttenberg Golf & Country Club in Guttenberg, Iowa. This special event honored the incredible efforts of more than 500 registered volunteers who dedicated their time and energy to the Scouting program throughout 2024.

The evening was filled with gratitude and celebration as the Council recognized the exceptional contributions of its volunteers. Among the highlights were the prestigious awards presented to those who have shown outstanding commitment and service. The Northeast Iowa Council extends its heartfelt thanks to all volunteers for their unwavering dedication and support. Your efforts make a significant impact on the lives of young people and the community. Congratulations to all the award recipients!

EXCITING DEVELOPMENTS AT CAMP C.S. KLAUS

We are thrilled to announce a major project is underway at Camp C.S. Klaus. All thanks to the hard work and dedication of our properties team and Scouting volunteers. Recently, the team successfully cleared the area at the waterfront, paving the way for the construction of new changing rooms and classrooms. We were also able to utilize our new Gator, which made the clearing process much more efficient.

These new facilities will greatly enhance the camp experience for all our visitors, providing modern and convenient spaces for changing and learning. The changing rooms will offer a comfortable and private area for campers to prepare for their waterfront activities, while the classrooms will serve as versatile spaces for educational programs, workshops, and other activities. **Thank you to The Munter Fund for making this project possible!**
