Mother's Day Pancake Breakfast

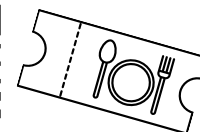

Make it an annual tradition to support local Scouting projects by joining us for the best view of the Mississippi River and all you can eat pancakes, scrambled eggs, sausage links, milk, coffee and juice for just \$10!

Don't forget to bring your own plates, silverware and mugs to help us reduce our waste!

The Pancake Breakfast annually funds projects throughout our camps. Last year's fundraiser will support new seating around the campfire and a new sound system for Munter Lodge.

The Order of the Arrow completes service projects throughout the council. This organization is made up of Scouts BSA youth and adults who were selected because of their leadership in their units and Scouters who exemplify the Scouting mission.

DISTRICT PINEWOOD DERBY

The District Pinewood Derby zoomed into action this April at Kennedy Mall, where 30 Cub Scouts revved up their engines and raced their cars faster than a caffeinated cheetah! Hats off to all the speedy Scouts who dashed through their Racetime adventure!

The S.T.E.A.M. Committee revved up the fun by offering Lego car kits to build the ultimate speed machines, teaching about friction (the secret sauce of speed!), and revealing the aerodynamic magic of various car designs.

A turbo-charged thank you to Kennedy Mall for not just the racetrack space but also for rolling in a local stock car, giving Scouts the chance to climb in and dream big! Shoutout to Troop 7, Troop 91, and our S.T.E.A.M. Committee for making this event a wheel-spinning, engine-roaring blast!

GREAT GIVE DAY

There's something magical about Camp C.S. Klaus in the summertime. From the crackle of a campfire to the cheers at the waterfront.

Behind the scenes it's the camp staff who make that magic happen. They're up early, working late, and giving their all—whether they're leading nature hikes, cooking meals, or helping a first-time camper feel at home. And after those long, joy-filled days, they return to their cabins for a much-needed rest.

Unfortunately, many of those cabins are in need of updates and repairs. We've made progress, but there's more work ahead to ensure our staff have safe, comfortable places to recharge.

This is where you come in.

On Great Give Day, your donation will go straight toward sprucing up the **Camp Klaus staff cabins**. It's a simple way to say "thank you" to the people who make summer camp unforgettable. Let's give them a place that reflects the heart they put into Scouting!
