

Career Exploring Fact Sheet

What is Exploring?

Exploring offers exciting activities and mentorship for youth eager to discover their future, emphasizing career mentorship and hands-on career exploration. Through immersive experiences provided by community and business leaders, Exploring teaches important life and career skills, helping young people prepare for successful futures. Join us and embark on a journey of discovery and growth!

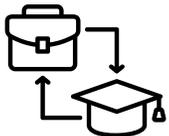

Program Specifics

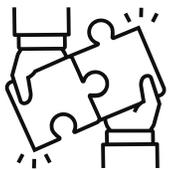

Exploring Clubs & Posts

Exploring serves two different age groups, both coed. Exploring clubs serve middle schoolers, aged 10-14, in sixth through eighth grades. Exploring Posts serve older youth 14-20 years old.

Student Benefits

Students have the opportunity for unique career experiences, networking, and internships. They build leadership skills and are offered unique volunteer opportunities.

Career Partners

Exploring provides the ability to pre-screen future applicants AND train them in a manner that prepares them to work specifically for your company.
